

U. S. Highway 30 Coalition Endorses TIME 21 Concept

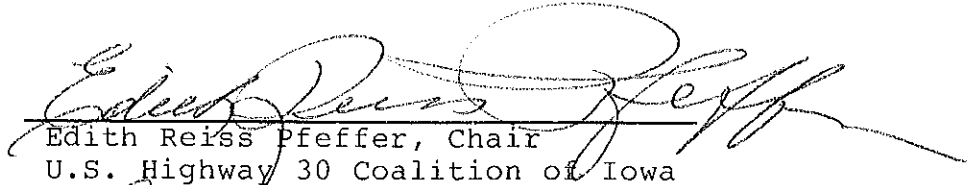

Whereas the U. S. Highway 30 Coalition of Iowa has a stated goal of "Working Together with Iowa's Department of Transportation, forming a partnership to meet our ever changing transportation needs today, and to plan for the needs of Iowa's future"; and,

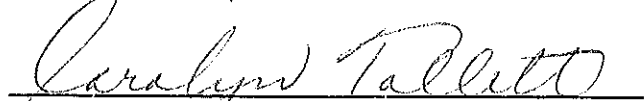

Whereas, the U. S. Highway 30 Coalition of Iowa has been on record in support of increasing vehicle registration fees for trucks; and,

Whereas the U. S. Highway 30 Coalition of Iowa has been on record supporting an increase in the gasoline tax; and,

Whereas he U.S. Highway 30 Coalition of Iowa has made known to members of the Iowa Legislature the Coalition's support for increased Road Use Tax Funds (RUTF); therefore,

The U. S. Highway 30 Coalition formally voted on March 9, 2007, to endorse the Iowa Department of Transportation's TIME 21 Concept, and to actively work for passage of a revenue bill which would address the future transportation needs of Iowa.
